Best education-related memories from BHS:

- Howard Vicars - ART classes. I loved that he had music on during class as we learned. Mr. Vicars introduced us to art and fostered our interest in it, but it was just the tip of the iceberg and I am so proud of how that program has blossomed.
- Golf team with Art Brebberman and Rick Koch and great teammates.
- Tennis team with Fred Sagester and great teammates.

A personal quote about the importance of education:

Share your knowledge, your gifts, your time and your talents for the betterment of yourself and your neighbor. The best way to learn is to get lost and figure out your way.
